SKILLS

Technical Skills :

Soft Skills :

- Creativity
- Empathetic
- Problem Solving
- Adaptability
- Attention to Detail

I am Arya Govekar, a design student with a keen eye for observation. My introverted nature has honed my observation skills, allowing me to perceive the world in a unique manner. Despite being an introvert, I love collaborating with others, believing it sparks innovation. I'm deeply passionate about learning, always eager to explore new concepts and create innovative designs.

WORK EXPERIENCE

Group Project

Sustainability - Wood Pulp

- Tasked to promote wood pulp and its sustainable properties to the masses.
- Designed a social media posts and reels for Instagram handle - @woodpulp.ki.kahani and conducted a workshop for kids with Khushiyaan NGO.

Ohh My Dog Pefe and Surocus - Internship

- Managed social media strategies to enhance brand visibility and foster a strong online presence for Ohh My Dog Café.
- Created engaging content, including posts, reels, and campaigns, to reflect the café's playful vibe and connect with a broader audience of pet lovers.
